

The 2024 Pay for Performance Program

The Meridian Medicaid Plan (Meridian) Pay for Performance (P4P) program rewards contracted partners in care for delivering quality preventive services such as cancer screenings, immunizations, and well-child visits to members.

The following grid is a quick reference for the 2024 Meridian P4P incentives for Primary Care Providers (PCPs). Please contact your Meridian Provider Relations representative at ILProviderRelations@mhplan.com or Provider Services at 866-606-3700 with questions.

The quickest way to access updated program information is via the [secure provider portal](#). There you can view updated performance data, target percentile status, and payments earned year to date.

Incentives are paid after completion of all qualifying services in compliance with HEDIS® 2024 guidelines. A complete list of covered codes for these measures can be found in the [HEDIS Quick Reference Guide 2024](#) on the Meridian [website](#).

The incentive is paid to the Primary Care Provider at the provider TIN level. Meridian maintains the right to modify or discontinue the P4P program and will notify providers of any changes or incentive program alterations.

***The Prenatal and Postpartum Care (PPC) incentive will automatically be added to payments for claims submitted with appropriate diagnoses and/or procedure codes after April 1, 2024.** No target need be met for payment. All provider types are eligible (OB, FP, FQHC, etc.). Providers can receive one incentive for prenatal care and one incentive for postpartum care per member per calendar year.
