

**CPT® 96110 denying EXIM and EXys**

A subset of HeathChoice, YouthCare and MMAI claims billed with CPT® 96110 are denying EXIM-modifier missing or invalid and/or EXys – reimbursement included in another code per CMS/AMA/Medical Guidelines. This issue is not impacting all claims. The system will be updated to eliminate the incorrect denial. Claims will be reprocessed with no action required by the provider.
