Join our family of plans.

Thank you for considering joining our family of plans. Together we can transform the health of our communities, one person at a time. Serving over 1 million members across Illinois, our network includes more than 140 hospitals, 17,000 primary care providers, 35,000 specialty providers, and over 900 community mental health centers.

This guide contains information on how we can support you and your team in delivering high-quality care to your patients.

Our family of plans

We offer comprehensive, government-sponsored healthcare plans that cover families, individuals, children, seniors, and people with complex medical needs—and can keep them covered at every stage of life.
