

**Optical Visits not reimbursing fee for service FQHC and RHC**

**Date of notice: 9/14/23**

Meridian has been identified an issue with Optical codes 92015,92071,92072,92310,92340,92341, and 92370. These claims have been denying EXGT (encounter code required and must be biled w/payable detail lines) or EXNT (provider not contracted for service provided). These codes are reimbursable fee for service without an encounter code for FQHC and RHC. Claims will be identified and reprocessed.
