

Therapy claims paying the incorrect rate

Date of notice: 7/5/23

Meridian has identified a system issue that is paying therapy codes at the incorrect rate. Meridian has corrected the system on 5/8/2023 and the issue should be resolved as of 6/29/2023. Claims that have been affected will be reprocessed and there is no additional action required from providers. If you feel your claims have not been reprocessed by 9/1/23, please contact your Provider Relations Department or Customer Service.
