Re: Updated MeridianHealth Coverage Criteria for Test Strips and Meters

Dear Provider,

MeridianRx, MeridianHealth's pharmacy benefit manager, is providing this notice to inform you of upcoming formulary changes that may affect your patients.

7/15/2019 MeridianHealth's Illinois Medicaid formulary is changing to a different preferred brand of test strips and meters. MeridianHealth will be converting to only OneTouch branded test strips and meters. All other test strips and meters are being removed from the formulary. Lancets and other diabetic supplies are not affected by this update.

To ensure members continue receiving coverage for their diabetes testing supplies, please provide a new script to your members for OneTouch test strips and meter. Members can obtain the new meter by any of the following methods:

1. Calling **1-800-789-7022** and providing order code: **738WEL001**
2. Visiting **www.OneTouch.orderpoints.com** and inputting order code: **738WEL001**
3. Visiting provider offices who were stocked with new meters (at your request)
4. Visiting their pharmacy with new prescription

If you would like for your office to receive OneTouch meters to give to qualifying members, please call **1-866-732-5941** or contact LifeScan_support@theacsadvantage.com to arrange a delivery to your office.

If you have any questions, please call our Pharmacy Help Desk at **855-580-1688**.

Thank you,

MeridianRx
